Heather also let me know that FDEP is having a meeting with St Joe tomorrow to discuss potential solutions to their GP concerns and she may call Rosemary to discuss the outcome (I am off tomorrow).

Alexis,

Unfortunately I spoke with Mary yesterday. However, I was already trying to run this down and left a voicemail with Heather Mason this morning asking for her to call me as soon as possible to discuss this.

Hey everyone,

The main topic for today's internal call will be discussion of FDEP's updated flowchart and draft glossary so please review before the call if you can. I've attached a copy so you don't have to go back to look at it.

I'd also like to briefly discuss the St Joe request, though I was not involved in last week's call so I'll be looking for perspectives of those that were.

I've reached out to FDEP this morning to get agenda items for our call this afternoon but haven't heard back yet.

I don't expect any enforcement topics so Jeff, JT, Chris I'll let you determine if your time would be better spent on something else this morning.

If anyone has additional topics you'd like to discuss this morning please reply all to this email so we can be prepared to talk.

Thanks!
